### **Assessment Coordinator Report**

It's been a very exciting year for our skaters we have completed a total of 323 Star 1-Gold Assessments this year!! Congratulations to all skaters on your hard work and your achievements!

We ran 4 High Test days for our star 6 to Gold assessments:

- June with 16 test total and a 100 % success rate for our RSC skaters,
- August with 16 tests total and a 100% success rate for our RSC skaters,
- December with 17 tests and a 75 % success rate for RSC skaters
- and finally, this past April with 29 tests completed and an 83% success rate for RSC Skaters.

We had 1 skater this year who completed a gold test: Congratulations Carina Randell on successfully achieving her Gold A dance Viennese Waltz. I have a pin for you today.

New this year, we now have in club coaches that can access star 6-gold Skills tests on regular sessions, so we have no longer need to include these in our high-test days and we are currently planning 4 more test days for the upcoming year. Our next test day will be June 18<sup>th</sup>.

And finally, I would like to thank Noriko our events chair for her help with the April test day and all of the parents and volunteers who help make these events a success.
